

GASFORCE

High Performing Sales Engineers

Salary: Up to £30k, OTE £50k + benefits + uncapped bonus.

Locations: NW, NE, SW, SE, London.

Our client, GasForce Technical Solutions (GTS), is a key member of the award winning property services group Connaught plc. It specialises in the provision of bespoke heating and ventilation solutions, primarily gas, to the UK SME market.

Your role will be to grow HVAC business within existing and new SME and multi-site customers. The bulk of your business will come from leads from sister companies. You will identify the customer's need, design the solution and manage external installers to deliver a quality job. So experience of either design or installation is desirable, as is a natural ability to sell your solutions.
